

## Now you can combine a trip to Osh with a pleasant accommodation and a delicious breakfast

Just stay in the TES guesthouse! By staying in our place, you will directly support the “Training and Extension System”, a local NGO, which is committed to poverty alleviation through agricultural extension and training.

The newly built “TES Guest House” is located in the quiet central park of Osh, close to the Ak-Bura river, the Osh Bazaar, and Sulieman Mountain. For working convenience, the Osh Oblast administration is within walking distance.

Our Guest House provides pleasant accommodations at a reasonable price including a European breakfast.

The TES Guest House is ideal place to relax after a long day if you are on a business trip or simply tired after discovering the south of Kyrgyzstan.

Our five comfortable rooms come equipped with two beds and a private bathroom (with a shower). In the living and dining room there is a TV (which receives BBC-World) and a mini bar. There is even an outdoor patio available for you to enjoy the pleasant Osh evenings
