

Declaration for Admission

All photocopies can be sent also in scanned version

Students are accepted either

1. After a university or university of applied sciences (Fachhochschule) degree. Please add a photocopy of your degree. If it is not in English, German, French, Italian, Spanish or Dutch, please add a translation in English or German (certification not necessary).
2. Or with secondary school degree + at least two years professional activity or with a complete professional education. Please add the school certificate/degrees in non-certified copy (if it is not in English, German, French, Italian, Spanish or Dutch, please add a translation in English or German; a certification is not necessary). Please describe the duration of the professional activity and the activity itself (please add non-certified copies which certify the kind of activity and the duration).
3. Students must submit a C.V. highlighting the abovementioned requirements. There is a C.V. form (EU format) above of this page, which can be downloaded. The EU format used in this C.V. can also be used in your professional life (not only in the EU). Please submit the C.V. in English or German language only!
4. Please note also that you should give details to your language know-how (see separate questionnaire under C.V.).
5. You will be notified within five workdays – by e-mail – if you are eligible for this course.
